

Handy 100mm Digital Caliper with new design

AMDC-100α

Smooth movement and constant repeatable readings.

This steel digital caliper delivers excellent accuracy and features jaws that measure inside diameter and outside diameter from 0-100mm. The caliper has a resolution of 0.01mm, and has a zero-set button, making easy work of relative measurements. Smooth movement and lock make it easy adjust to your desired measurement and lock it in to transfer that measurement to other materials. Assembled in China. CR2032 battery included.

Item code	203-095
Product name	AMDC-100α
