Small Parts

***Ideal for storing and sorting small items**

***Stackable and doesn't take up much space**

***Can be used to secure small items by stacking multiple sheets**

***Can also be used for packaging for shipping.**

***No damage even fragile items with PP material**

By stacking the tray, parts are fixed and protected

When storing items of around the same height and stacking the trays, the upper tray acts as a lid and holds it down. It can securely protect small parts during storage and transportation.
